# Jimmy's

BAR & LOUNGE

*Jimmy swings through life with a fun-loving swagger and a feather in his cap.*

He dons the feather because he got lucky! He gets to do what he wants to do every day. It's like he's on an endless holiday in an idyllic location, as he shakes his creations with a relaxing vibe, pouring them with a twinkle in his eye.

Jimmy is the playful one... the cheeky one... the funny, infectious one just wanting everyone to be happy, because he is! His history is in whiskey.

He knows them all and serves them to perfection... on ice, because chilled is a state of mind at Jimmy's. And cocktails are like his sister, vodka a favourite elixir. They're sassy, a little fruity and full of fun loving memory.

Jimmy's is a place where everything's relaxed, everyone's chilled and nothing turns the world inside out.

# Whiskey Flights

*There is something about the dark spirit called whisky that Jimmy finds irresistible.*

He offers to you his collection in the form of a flight... three whiskeys from different areas of the world... some as near as right here in Australia, some from far away places such as Finland, Italy, Japan, and of course, Scotland. All flights are served with tasting notes, as well as some interesting information on each spirit, and the distillery from where they originate. *Enjoy!*
